

## Ron's Mosquito/Insect Repellent

Bio Degradable, Corn Cob Bits Infused with Essential Oils

SAFELY REPELS MOSQUITOS AND OTHER INSECTS  
FROM GARDENS AND LAWNS

DOUBLES AS A LARVACIDE

Effective against a variety of ants, armyworms, pill bugs, centipedes, chinch bugs, cutworms, fleas, firebrats, grasshoppers, ground beetles, leafhoppers, mealybugs, millipedes, spiders, ticks and wireworms.

7 LBS - \$24.00

Covers up to 14,000 sq. ft.

*SAFE FOR CHILDREN AND PETS*

### DIRECTIONS FOR USE

Sprinkle granules liberally around the garden, around the perimeter of the house, in drains, in potted plants, on the lawn or wherever mosquitos may breed or hide. Granules alone should provide effective results for up to one week. May be used in conjunction with Mosquito Steve Yard Spray. Application may be necessary after a heavy rain.

Active Ingredients: Geraniol 3%, Mint oil 2.5%  
Other Ingredients: corn cobs & soy oil
