

COVERS UP TO 4,000 SQ FT

Lawn Dr. Ron has used his vast horticultural knowledge of soil biology and cultural requirements to create the perfect, all natural blend, to stimulate life in the soil, which will be required to prepare your lawn and landscape for the lush new growth of Spring

Spring Blend is designed for use in the spring, from February to June, but it can be used at anytime of the year. For best results, use Ron's Summer Blend from June to September and Ron's Fall Blend from September to December.

Ingredients: Bio solids, meals: (cottonseed, corn gluten, milo, corn, soy bean, alfalfa, wheat, feather, kelp and fish), dried molasses, k-mag, sulfur, humate, food grade urea, diatomaceous earth, granite, lava sand, basalt, soft rock phosphate, greensand and montmorillonite

Recommended application rate is 20 lbs. Per 1,000 sq. ft. If applied monthly, you can apply at 10 lbs. Per 1,000 sq. ft.
